

## Mixed Media Mondays

Joan Asquith Shrier

### Notes:

Be creative and collect interesting papers, handmade papers, letters, tickets, old books, maps stamps, old magazines or catalogues on heavy paper, etc. If something is important and you want to save it you can make a black and white laser copy. Kinkos or a local print shop are good places to go. (Not staples)

### Materials:

- Matt medium, not glossy (Blick, Liquitex, Utrecht or Golden brands) or Gel medium
- #14 or #16 inexpensive flat brush
- Xacto Knife
- Craft Scissors
- Pencil
- Acrylic paint: red, yellow, blue, white
- Drawing paper 80lb
- 100% cotton matt board or wood panels—9"x12", 12"x14" or whatever you have
- Smock
- Bag to put everything in
