

Online Parent/Child Clay Workshops

Nancy Merrifield

Notes:

The instructor will give you painting tips at the end of the workshop, in case you would like to paint your project after it dries.

Materials:

The New Art Center will Provide:

- A small bag of air-dry clay to be picked up at the New Art Center plus a few fun surprise materials!

You Will Need to Have at Home:

- Table covering such as newspaper or craft paper
- A container for water
- A few tools or utensils to make texture on the clay such as a pencil with an eraser, a fork, a chopstick or a bamboo skewer.

After the clay dries in a few days, you can paint it with acrylics or tempera paint if you wish.
